

2^a Planta

1^{re} Plante

Plano
Bosch

Answer the following questions:

1. Calculate the numerical scale of the map.
2. Create a key map and locate the different recycling bins in the school map provided by the teacher. Use different colors and shapes for each of them (glass, plastic, organic...).
3. Place/add in the map and key map, where would you place more bins if you think it's needed.
